January 6, 2025

Spring registration is open now for the ISL Education Lending Scholarship. The program is an opportunity for all high school students, not just seniors, to learn about planning and paying for college while entering for a chance at money to help pay for college. Parents or guardians of high school students and current college students may also enter. Winners receive deposits into ISave 529 (formerly College Savings Iowa) accounts, so they can choose when and how to use the awards.

Encourage ninth- to 12th-grade students and their parents to enter for a chance to earn one of 45 \$1,000 deposits into an ISave 529 account.

### **About the Scholarship**

The scholarship program is open to Iowa residents who are either:

- Iowa high school students.
- Undergraduate college students.
- Parents or guardians of, or others who hold an ISave 529 account benefiting, an Iowa high school or undergraduate college student.

Online registration is simple. Your students should:

1. Visit [www.IowaStudentLoan.org/Enter](http://www.IowaStudentLoan.org/Enter) to register by March 31, 2025.
2. Provide basic contact information for themselves and their parents or guardians.

After registering, students may continue to read three quick college planning and financing tips and answer a multiple choice question on each.

For the remainder of the scholarship period, registered students receive emailed information on college planning and financing.

Forty-five winners will be drawn from eligible high school, college and parent entries in April. Each winner will receive a \$1,000 deposit into an ISave 529 account.

Each student may enter themselves only once per program period, but one parent or guardian, or another adult who holds an ISave 529 account naming the student as a beneficiary, may also enter on their student's behalf once per program period.

Those who registered in the fall and remain eligible may register again for the spring.

### **Promotional Materials Available**

Use the enclosed fliers to make students aware of the scholarship.

Additional materials are available for download at [www.iowastudentloan.org/for-educators/](http://www.iowastudentloan.org/for-educators/).

We've also included information about the SP<sup>3</sup> — Student Planning Pointers for *Parents* program, another opportunity for the families you work with to learn how to plan smart and pay less for education after high school.

### **Questions**

If you have questions, please email [scholarship@studentloan.org](mailto:scholarship@studentloan.org) for more information.

# SP<sup>3</sup> - Student Planning Pointers for Parents

Get **FREE** information to help your student plan for success after high school. There's a lot to consider — we get it — but we can help!

Sign up now for tips, tools and resources that come straight to your inbox.

## Parents and Guardians Register

Register now for ISL Education Lending's free email service for parents and guardians of students in eighth through 12th grades. Twice-monthly articles are designed to:

- ▶ Provide you with **timely content**, plus tips and tools relevant to your student's grade level.
- ▶ Involve you in your high school student's **four-year academic plan**.
- ▶ Help you and your students plan for **education and training after high school**.

Monthly articles can also be accessed through a personal dashboard.

## Be Entered to Win Money for College!

Registered Iowa parents who complete the survey questions following each article are entered into quarterly drawings for 529 college savings plan deposits. Forty winners each receive \$250 every quarter!

[www.SP3.org](http://www.SP3.org)

Parents receive two emails per month with a link to the article.

Parents can also access articles through a personal dashboard.
